Since 1994 · Erode, Tamil Nadu, India · 25+ Years of Excellence

OUR FABRIC RANGE

Cotton Fabrics

Plain · Twill · Satin · Dobby · Jacquard

Linen Fabrics

Lightweight · Breathable · Natural texture

Hemp Fabrics

Eco-friendly · Durable · Sustainable choice

Lyocell / Tencel

Silky soft · Moisture-wicking · Biodegradable

Blended Fabrics

Cotton-Poly · Cotton-Linen · Custom blends

Sustainable Range

Recycled · Organic · Low-impact fibers

WEAVE STRUCTURES

Engineered for every end-use application

Plain Weave

Simple over-under pattern · Crisp & durable · Ideal for shirting & dress fabrics

Twill Weave

Diagonal rib texture · Soft drape · Used in denim, chinos & workwear

Satin Weave

Smooth lustrous surface · Luxurious feel · Perfect for eveningwear & linings

Dobby Weave

Geometric woven patterns · Textured surface · Great for fashion & home textiles

Jacquard Weave

Complex woven designs · Rich visual depth · Premium suiting & furnishing fabrics

WHY CHOOSE DINESH EXPORTS

6 Global Certifications

GOTS · GRS · OCS · BCI Cotton · OEKO-TEX · Fair Trade — proof of our commitment to quality & ethics

End-to-End Manufacturing

From yarn to finished fabric — complete in-house production ensures consistent quality & faster lead times

Sustainable by Design

Organic, recycled & low-impact fibers. We reduce environmental footprint at every stage of production

Global Export Reach

Trusted by top brands across Europe, USA, Asia & the Middle East for over 25 years

Custom Fabric Solutions

Bespoke colors, weights, constructions & finishes — tailored to your exact collection requirements

Innovation & Newness

Constantly updated catalogue with the latest fabric trends, textures & eco-fibers for seasonal collections

OUR SUSTAINABILITY COMMITMENT

We manufacture fabrics that are good for people, planet & your business.
